## Privacy Policy

Your privacy is critically important to us. The privacy policy for the Sage Live Reporter App for Office is as stated below.

### Sage Live Account Information

We don't store or collect any of your Sage Live information on any web server. Only you have access to your Sage Live data, through signing in to the App, which is secured through OAuth 2. Sage and its employees do not have access to your data. Once you sign out of the Sage Live Reporter app your information is no longer available unless it has been saved to an Excel workbook

### Cookies

Cookies are not used by the app.

### Privacy Policy Changes

Sage Live Reporter may change its Privacy Policy from time to time, and in Sage's sole discretion. Sage encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of Sage Live Reporter after any change in this Privacy Policy will constitute your acceptance of such change.
